

JOIN OUR COMMUNITY OF LEARNERS

Jeffco Public Schools has been providing educational excellence since 1950, building strong generational ties throughout our community upon a foundation of quality. We honor Exemplary Performance, Integrity, Teamwork, Valuing People, and Entrepreneurial Spirit in all Jeffco employees. We aspire to innovate in the classroom and embrace new modes of delivering engaging learning experiences for all students.

Jeffco Generations Skills

Jeffco Generations aims to transform the student experience to one that is authentic, hands-on, and skills-focused. We provide students opportunities to apply learned skills to real-world situations and problems where they can practice:

- Content Mastery
- Civic & Global Engagement
- Self-Direction & Personal Responsibility
- Communication
- Critical & Creative Thinking
- Collaboration & Leading by Influence
- Agility & Adaptability

We Work as a Community

We collaborate with families and communities to ensure all students have supports to be successful while learning and in their lives after high school. This work happens when our leadership, our highly qualified educators, and our dedicated support staff work together in an environment alive with enthusiasm for education.

Exciting Improvements Throughout Our District

In 2018, Jefferson County voters passed mill levy override and bond ballot measures to support operations and improvements around our district. Since then, we have invested in our schools, facilities, programs, and people, transforming our district to ensure we continue our mission to provide high-quality, innovative education opportunities for every Jeffco student. Learn more about all district projects at JeffcoBuilds.org.

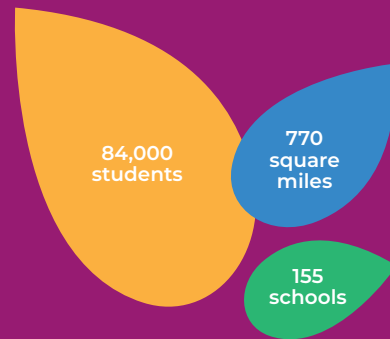

Jeffco Generations - See For Yourself

Visit our website and social media channels, where it is easy to see our deep, meaningful community ties, our long-standing tradition of quality, and our innovative educational approach.
