Private Music Lessons, Group Music Lessons, and Recital Space

The Teachers at Lakewood School of Music collectively boast nearly 75 years of Teaching Experience!

We teach:

Trumpet, Voice, and Piano

Violin, Viola and Cello

Guitar, Bass, Ukulele

All beginning band instruments.

We have beautiful new studio and recital space located on the South East Corner of the Main Floor of the Notable apartment Building.

We have a small ensemble room that we use for adult piano class, drum circles and small children's classes This room can double as a rehearsal space and most importantly recording engineering room in addition to two studios that can double as performance rooms for maximum separation when recording.

This is a beautiful and safe facility with plenty of close parking spots.
