

SOCIAL MEDIA TIP - JUNE 2020

KEEP IT SIMPLE

#WestColfax

Make it easy for your customers to know your opening hours and policies.

Don't be afraid to repost.

Customers right now need to know how to find you easily. Don't be afraid to re-share high quality, easy to read content that showcases how your business is working *right now*.

Taco House - Lakewood

May 28 at 10:58 AM · 🌐

Hello everyone! As of Wednesday May 27th we are open for limited dine in service along with carry out and drive thru following the policies and procedures implemented by the Colorado Department of Health. Our hours are 10:30am-9pm. Here's a few things we're asking you to do to help us safely serve everyone and keep our business afloat and in accordance with the new guidelines:

- *Please enter the building with a mask on whether for to go or dine in.
- *If you're dining in please wait for a server to seat you and/or your party at a clean table.
- *If all the tables are full please check in with a waitstaff member to get your name on our list and wait either outside 6 feet away from other customers or in your car until you're called.
- *Wear your mask until you're seated and when you need to leave your table.
- *Wait to pay your check at your table.
- *Stay home if you are sick.
- *Please be kind and patient as we are taking extra precautions for you and our employees to ensure quality and safe service so we can keep our doors open.

Thank you all! Again, we are still open for carry out if you're still not comfortable dining in yet. We're all in this together, taking it a day at a time.

See you soon!
