

RTD transit passes for your event, workplace, or neighborhood

West Colfax Community Association
February 21, 2024

Presented by Erica Hine from Way to Go

Let's start with events

Bulk Mobile Ticketing allows you to distribute passes to attendees via email

They download the RTD App to use the ticket

You pay only for the ones that are redeemed

10% off for purchases over \$1,500 in tickets distributed and used

Workplace EcoPass option

Significant price reduction as of Jan 1, 2024

Contracts are prorated based on when you join

Estimate: 75 employees in this area approx **\$2,300***

After tax credit approx **\$1,150***

Two factors determining your price:

1. Location / service level area
2. Number of employees

*These are not official quotes - please find me after the meeting or contact us to get your quote!

Low Contract Pricing

Tax Credits

Save on Parking Costs

Attract Employees

More Flexibility

Neighborhood EcoPass program 2024

Annual per household or unit cost for new neighborhood contracts is reduced from \$175 to \$125

Contract minimum \$4,000

Existing neighborhoods priced on utilization

Blocks must be contiguous

Contracts signed by a legal authority such as a governmental agency, HOA, or property manager

Transit Assistance Grant program 2024

\$1 million available

Helps organizations serving clients with immediate transit needs

Awarded organizations will receive ticket books to distribute paper tickets
