# ART AS WAYFINDING EL ARTE COMO GUÍA

How should art be integrated into the project?  
¿Cómo debe el arte integrarse en el proyecto?

1. Please place the color coded dots onto the image:  
Coloque los puntos de colores en la imagen:

- **Definitely include this concept. This is a priority**  
*Incluya este concepto. Es una prioridad*
- **Include this concept if possible. This is a lower priority**  
*Incluya este concepto si es posible. No es prioridad*
- **Don't include this concept**  
*No incluya este proyecto*

2. Please use the sticky notes to briefly describe what you like, how this concept should be applied, or other comments.  
*Por favor, utilice las notas adhesivas para describir brevemente, lo que le gusta, cómo este concepto debe aplicarse, u otros comentarios.*

Iconic elements denote key destinations, intersections and crossings.  
*Los elementos icónicos denotan destinos clave, intersecciones y cruces.*

Murals and lines lead users to key locations and create a unique identity.  
*Los murales y las líneas llevan a los usuarios a ubicaciones clave y crean una identidad única.*

Paving elements can provide interest and interpretive opportunities, and direct pedestrians to key locations.  
*Los elementos en el pavimento pueden proporcionar interés, oportunidades interpretativas, y dirigir a los peatones a lugares clave.*

Creative wayfinding signs express the district and direct people to key destinations.  
*Los señales creativos de orientación le dan carácter al distrito y dirigen a las personas a destinos clave.*

# ART AS AN EXPERIENCE EL ARTE COMO EXPERIENCIA

How should art be integrated into the project?  
¿Cómo debe el arte integrarse en el proyecto?

1. Please place the color coded dots onto the image:  
Coloque los puntos de colores en la imagen:

- **Definitely include this concept. This is a priority**  
*Incluya este concepto. Es una prioridad*
- **Include this concept if possible. This is a lower priority**  
*Incluya este concepto si es posible. No es prioridad*
- **Don't include this concept**  
*No incluya este proyecto*

2. Please use the sticky notes to briefly describe what you like, how this concept should be applied, or other comments.  
*Por favor, utilice las notas adhesivas para describir brevemente, lo que le gusta, cómo este concepto debe aplicarse, u otros comentarios.*

Use sound to create experiences and express all forms of art in the district.  
*Usar el sonido para crear experiencias y expresar todas las formas de arte en el distrito.*

Temporary installations can create a range of experiences, and new interest over time.  
*Las instalaciones temporales pueden crear una gama de experiencias y un nuevo interés a través del tiempo.*

Interactive elements provide interest and activate the street.  
*Los elementos interactivos aportan interés y activan la calle.*

Additional forms of art can be integrated into bus stops or other signage.  
*Se pueden integrar formas adicionales de arte en las paradas de autobús u otras señalizaciones.*
